Progress review 9 (13/03/2020)

Task reviewed	Assigned to	Reviewed by	Meets the criteria? (Y/N)	Review notes
Status report amendments	Jamie Knott	Aum Desai	Y	The report is as good as possible at the current time, though further revisions may be necessary at the final review meeting (on the 21/03/2020)
Java source code (amendments and implementations) and Junit tests **first draft**	George Daskalakis, Aum Desai, Sam Prowse	Jamie Knott	N	The first draft of the Java is good, but it needs to closely match the UML class diagrams (as given in our prior stage feedback), so key changes are needed.
Meeting minutes	Sam Prowse	Jamie Knott	Y	The meeting minutes from the last meeting are suitable and in the correct format.
