Progress review 8 (10/03/2020)

Task reviewed	Assigned to	Reviewed by	Meets the criteria? (Y/N)	Review notes
Index page (html and CSS) **second draft**	Jamie Knott	George Daskalakis	Y	The index page has been correctly improved and now fully meets the requirements (outlined in the specification).
Class diagrams (completions and amendments) **second draft**	Aum Desai, George Daskalakis	Sam Prowse	Y	The class diagrams have had the necessary improvements made to them, and now are suitable for final submission.
Log file	Sam Prowse, Aum Desai	George Daskalakis	Y	The log file appears to adequately represent what is required (as written in the specification)
Status report	Jamie Knott	Sam Prowse	N	The report is very good, but it will need later additions (at the end of the stage) as we aren't yet sure what will be left incomplete.
Meeting minutes review	Sam Prowse	Aum Desai	Y	The meeting minutes from the last meeting are to a high standard and are suitable as they are.
