Progress review 10 (17/03/2020)

Task reviewed	Assigned to	Reviewed by	Meets the criteria? (Y/N)	Review notes
Documentation amendments (e.g. Gantt chart stage 5)	Aum Desai	George Daskalakis	N	All of the changes are correct, but the Gantt chart needs to be changed slightly (to match the same colour scheme as our previous stage charts).
Java source code (amendments and implementations) and Junit tests **second draft**	George Daskalakis, Aum Desai, Sam Prowse	Jamie Knott	Y	The Java code has been improved and more closely resembles the UML class diagrams, though there is still room for improvement.
Meeting minutes	Sam Prowse	Jamie Knott	Y	The meeting minutes from the last meeting are suitable and in the correct format.
